## G4 Girls' Lax Camp

### Camp Philosophy:

To serve the route 40 corridor. Strength from within. To teach all aspects of the game of women's Lacrosse in a fun and competitive learning environment. We want to build confidence in our players and guide them to be the best that they can be. We will take the fundamentals to a new level and develop an understanding of the game. Through instruction, drills and competi-

tion we believe our players will develop a new found love for the game.
