BSA TROOP 965
Has regular meetings on Thursdays from 6:45pm to 8:30pm

Troop 965 holds weekly meetings during most of the year. Check the Troop Calendar on this website for specific information about meeting dates and locations (we have 2 meeting locations). In addition, the Troop takes "field trips" in lieu of regular meetings several times each year. We do not hold meetings during late summer, or during the Holidays (most of December).

SO, WHAT HAPPENS AT A TROOP 965 MEETING?

- **Skills instruction - Boy Scouts learn something new and useful each week, particularly outdoor skills**
- **Activity preparation - we have activities each month, so we're always getting ready for something !**
- **Leadership training - Boy Scouts learn and practice leadership skills as part of a Scout Patrol of 6 to 12 Scouts**
- **Citizenship training - Boy Scouts learn to become active citizens; respect for the US flag is taught in our program**
- **Community service - Boy Scouts learn to serve others in the home, community, and Nation**
- **Fun activities - Boy Scouts apply the skills they learn in "inter-Patrol" competitions and in other fun ways**
- **Introspection - The "Scoutmaster's minute" at the end of each meeting gives the boys something to think about**
