The Dragon Emblem  
-----

The Dragon is a powerful symbol in Chinese history.

There are many myths and legends of dragons.

Your group is required to make a full size Dragon Emblem (roughly the size of 2' X 2').

This can be completed prior to the weekend of the Fall Camporee. It will also be an event station during the weekend.

**THE REQUIREMENTS**

# 1 – You may use wood, cardboard, paint, stain, markers, tin foil

#2 – Utilize the information that will be available at the station that weekend or research the many websites that contain information on Chinese Dragon Emblems. Encyclopedias, books and the websites will help you to make a good and correct reproduction for an accurate Dragon Emblem.

#3 – Include a description sheet that contains the following information: the meaning of the symbols and colors that your Group has chosen for your emblem.

#4 – Please make certain sure that your Group Number and Group Name are on your emblem and description sheet.
