

*Troop 965 Scouts, Family, Guests
You are Cordially Invited to Attend*

Scout Sunday Service

Sunday, February 8, 2009, 11:00-12:00 AM
Webster Church

**Scouts – Class A Uniform and Meet in the Church Scout Room at
10:45**

Parents, please make every effort to join us for this very important scout event. Webster Church is one of our sponsoring organizations, and this service is the only opportunity that the Church membership gets to see our troop, of which they are very proud, and for which they provide good support. Also, our very own Scout Praise Team will play two musical selections for the worship service, and several scouts will help conduct the service. They would love to see many parents and family members in the audience. Finally, a scout is reverent, and this service is a nationwide scouting annual event to sustain awareness of that very important twelfth point of the Scout Law. We do hope to see you there. We want a great showing for the community that supports us so well. Thank you!
